

Bayview United Church Newsletter

May 27th, 2019.

Spring Greetings!

Springtime buds on the trees and in the garden have been slow to burst forth this year. Perhaps it is a sign for us to slow down and savour the changing season that brings forth new life to our earth. As we hear the stories of the resurrection appearances of Jesus to the disciples after his death, we are reminded that it took time for the disciples to gain the courage to go out and preach this good news to the people around them. We too as Christians are encouraged to find the strength to live out Christ's ministry of love in our daily lives.

As we reach the end of May we are gearing down from another successful and meaningful year of worship services, activities and outreach. I am ever so grateful for the commitment and dedication of you our members. It means so much to see your deep faith shining through the ministries you have with each other and extend into the wider community.

During the month of June we have several special services planned:

June 2nd – Sacrament of Baptism and Promotion Sunday followed by a pizza lunch

June 9th – Pentecost Sunday with the celebration of Holy Communion and our United Church's 94th Anniversary.

June 16th – Father's Day Service

June 23rd – SummerFest with an informal service downstairs in Fellowship Hall followed by a potluck luncheon, games and prizes for all ages.

June 30th – Canada Day Service, you are welcome to dress in red and white

During the month of July, I will be leading the Sunday Worship Services and in August, we will have guest speakers while I am on holidays. Our annual **Planning Day** will be on Saturday August 24th held at the church.

Future dates to keep in mind. On Sunday September 29th we will celebrate our **5th Anniversary as Bayview U.C.** We will have special music from Spirit.calm and a complementary anniversary luncheon. We will not be having a Bazaar this year, but instead, on Saturday October 19th, we will have an afternoon fundraising **Musical Concert with a Silent Auction, Baking & Japanese Food table, and Refreshments** for sale. Please let your family and friends know and help out as you are able. I hope you will be part of as many services and events as you are able. May you have a safe and happy summer.

With blessings and Joy,
Rev. Cindy

Chair of Council

Submitted by Carol MacLean

Our thanks to all that attended and participated in the discussions at the Annual Congregational Meeting on February 24, 2019. After voting not to hold a Bazaar in 2019, several suggestions were made by the congregation for other fundraising options to help reduce our projected 2019 operating budget deficit. The development of a fundraising plan was returned to Council for further work, and at the May meeting Council agreed to have a concert in the afternoon on Saturday, October 19th. We will also incorporate other fundraising ideas such as a sale of Japanese food and baking and a silent auction, as well as refreshments. Before the concert and during intermission, people will be encouraged to shop, enjoy a refreshment, and bid at the silent auction. A planning meeting for this event will be held on June 2nd, after the service. Everyone who would like to help is invited to attend. This is a great opportunity to work together to support the church. It will also help us to continue to welcome members of the community that have supported the bazaar for many years.

Our other good news is that the Youth Class, led by Jessica Yuan, has set a schedule to meet the first Sunday of every month. Thanks Jessica! We continue to look for volunteers to add to the Sunday School roster and to expand the Youth class offering. If you are interested, please speak to Jessica, Amy or me.

The annual planning meeting for Council and Ministry Teams/Committees will be held on August 24th in Fellowship Hall.

Plans are also underway for Bayview United's 5th Anniversary on September 29th. We will welcome spirit.calm for this celebration, followed by a special lunch. We look forward to having a great turnout for this celebration!

I thank everyone on Council and the Teams and Committees for their active participation and leadership. They bring our mission and vision to life each month. I wish everyone a healthy and refreshing summer break!

Ongoing

Eva's Place: All toiletries, soap, shampoo, toothbrushes, toothpaste, etc. are accepted to help the youth at Eva's Place.

Lansing Food Bank: accepts non-perishable food items. They especially need items for babies, non-beef soup and canned black beans.

Lion's Club Sight Program: still accepts used eyeglasses and sunglasses.

The Leprosy Mission Canada: accepts used postage stamps cut from the envelopes, leaving about a 1/4 inch paper border.

In January, our team served a variety of homemade soup and the proceeds (\$289.75) went towards our Lenten project - "Build a Well" and "Aid Displaced Persons" from the United Church "Gifts with Vision" catalogue. Our Lenten offerings and an additional \$1500 from the Audrey Sasaki Fukuzawa Fund were added to this amount.

The United Church of Canada sent an emergency appeal for donations to help the estimated 2.6 million people affected by Cyclone Idai. Monetary donations and an additional \$2500 from the Audrey Sasaki Fuzuzawa Fund will be sent to help these people.

Our thanks go to the Men's Club for generously donating the proceeds of their pancake lunch (\$513.72) to the Mission and Service fund. The M & S stew lunch raised \$588 and with everyone's support we hope to reach our 2019 M & S goal of \$29,000.

Our team thanks everyone for contributing and supporting our various outreach activities. We welcome new ideas and members at any time.

Team members: Irene Kagawa, Kaz Shikaze, Joan Bennett, Mickey Kaneko, Ken Koyama, Dianne Domelle, Sanae Fukushima and Amy Nagahara

Around the Corner

Around the corner I have a friend,
In this great city that has no end,
Yet the days go by and weeks rush
on,
And before I know it, a year is gone.

And I never see my old friend's face,
For life is a swift and terrible race,
He knows I like him just as well,
As in the days when I rang his bell.

And he rang mine but we were younger then,
And now we are busy, tired men.
Tired of playing a foolish game,
Tired of trying to make a name.

"Tomorrow" I say! "I will call on Jim
Just to show that I'm thinking of him",
But tomorrow comes and tomorrow goes,
And distance between us grows and grows.

Around the corner, yet miles away,
"Here's a telegram sir," "Jim died today."
And that's what we get and deserve in the end.
Around the corner, a vanished friend.

The weekly coffee service is the major activity of the WFC, in support of the Mission and Service Fund. Thanks to all the ladies and men who provide this service at a cost of \$3.00. Occasionally we do have the services of our caterer. A huge thank you to Louise Nagano for coordinating the coffee service.

Thanks to everyone for helping cut vegetables on Friday in preparation of the JCCC Bazaar, which was held on Saturday, May 4, 2019...with Naomi Takasaki co-ordinator.

Daybreak was held on Saturday, April 27, 2019. Thanks to Mary Leone for arranging her friend, Anne Pruner, guest speaker. Anne is a yoga teacher, yoga therapist and somatic educator.

The following is an article on Daybreak by Janice Cermak:

Ruby, Amy, Eiko

A total of 45 women attended our annual Daybreak women's retreat at the Momiji Health Care Society on Saturday, April 27. (Our April meeting date made it much easier for everyone to attend, compared to driving through ice and snow to February Daybreaks in previous years.) After coffee, tea and snacks, Ruby Shikaze, Amy Kunihiro and Eiko Watanabe led us in some group singing. Ruby was also presented with a gift, as a thank-you for organizing Daybreak for many years.

Anne Pruner

Shizue Fujita, Shizuka Koyama, Kay Oiye

Mary Leone, our church administrator, introduced our guest speaker, Anne Pruner. Anne is a certified yoga teacher at [In the Spirit Yoga studio \(www.inthespirtityoga.com\)](http://www.inthespirtityoga.com), where she leads group classes and also provides private therapeutic sessions that are especially tailored to her clients' needs and goals. Her main focus is on therapeutic yoga: helping her students out of pain and into pure, easy movement.

Janice Cermak and Ruby Shikaze

Anne was a relaxed and friendly instructor who encouraged us to ask questions at any time throughout the sessions. She explained how we could recognize tension in our bodies -- in our arms, neck, shoulders, even our jaws -- and then led us in easy-to-follow exercises, clearly demonstrating each movement, which we could do seated in chairs. She also explained how the movements we were learning were helpful in dealing with stress, even movements as simple as focusing on taking some slow breaths, or doing simple stretches.

Masako Seto, Sheila Matsui, Dianne Domelle, Barbara Marshall

Dorothy Honda, Gail Kondo, Naoka Nakaza

Our morning session was followed by a delicious catered lunch and more singing, and then a shorter afternoon session, in which Anne reviewed and reinforced what she had taught in the morning.

Anne was an excellent leader for our group.

We appreciated her extensive knowledge and careful instruction. We thoroughly enjoyed her presentation, and came away with a greater knowledge of our bodies and how to care for them. Many thanks to Mary Leone for arranging for Anne to come, to Louise Hirowatari and Amy Kunihiro for organizing the event, and also to Louise Nagano, Dorothy Honda, Molly Morita, Eiko Watanabe and Rev. Cindy for their help.

An excellent day, with a great instructor!

News from the Hospitality and Care Team

The H & C Team continues to keep busy by providing pastoral care support to our congregation. Our thanks to Ruby Shikaze and all H & C members for keeping in touch with those in need of pastoral care. If you know of anyone who would like a visit or a phone call from Rev. Cindy or our H & C Team, please let Rev. Cindy or Ruby know.

We sent greeting cards to some church members. These included get well cards, sympathy cards, cards for special wedding anniversaries, births and cards observing extra special birthdays.

Our H & C Team along with some members of our church delivered 32 Christmas gifts or cards to our shut-ins in December. Thank you Elaine Turnbull and Dianne Domelle for organizing this meaningful ministry.

The H & C Team along with some folk at Momiji, will provide lunch for members and friends at Momiji on June 27th. Following the lunch Karen will lead us in a sing song.

H & C hosted Sharing Tables on February 3rd and May 5th. One was a Valentine theme and the other a Mother's Day theme. Thank you to all who contributed and thank you to Judy Maikawa and Madeline Sakamoto for looking after the tables.

The Prayer Supporters continue to offer prayers to those in need. Thank you to Barbara Marshall for the many cards of support she sent out over Christmas. As of April 15th, Barbara has stepped down from sending cards, making phone calls and being the telephone contact to request prayer support. The Prayer Supporters and H & C Team are very grateful for the incredibly caring and compassionate ministry Barb has had over the last several years. We are thankful she will remain as a prayer supporter.

Barb Marshall

To make a confidential prayer request, please contact Madeline Sakamoto (289-232-5443) or email Elaine Turnbull at ejz@sympatico.ca. Thank you Prayer Supporters for your ongoing prayers. They mean so much to those who receive the prayers.

H & C under the leadership of Dee Dee Yatabe sponsored another successful Family Day Service on February 17th followed by an incredible potluck lunch provided by members of the congregation. Many thanks to Dee Dee, Judy and the Team and to all those who brought their favourite food dishes. It was a delicious meal and wonderful opportunity to get to know one another better.

A Healing Prayer Service took place on Sunday, March 24th at 12:30 p.m. in the sanctuary. It was a meaningful time for those who attended.

With Joy, the H & C Team.

Remembering...

Tom Maikawa

On Saturday, January 5, 2019, Tom passed away peacefully in his sleep. While this was completely unexpected, his family is at peace knowing he lived a full life right to the very end. He was always kind, always in a good mood, and was always thinking of ways to make things better for everyone around him.

One example of this is that, on November 7, 2018 when someone playing tennis suffered a heart attack and everyone else stood watching and not doing anything, Tom jumped right in to administer CPR. Because of Tom, the man survived and, on April 14, 2019 Tom posthumously received an award from the Toronto Police Services for his selfless actions.

We, at Bayview United Church, benefited so much from Tom's expertise and willingness to always help others. At the church, Tom did so much - quietly and efficiently - never asking for thanks or any sort of acknowledgement. He wouldn't serve on the property committee but he did most of the work!

Tom created our Fire Safety Plan and got it approved by the Toronto Fire Department. He created our emergency evacuation plan, convinced people to volunteer as Fire Wardens and trained them. Tom was our Chief Fire Warden so he constantly checked smoke detectors and fire extinguishers and looked for anything unsafe in the building. Tom also checked the boiler and pumps on Sundays and made sure there was heat in the back hall. He came to meet with our heating contractor and learned all about our heating system.

Tom also went to Costco and bought folding chairs and built storage racks for them, helped remove dead trees, put up signs in the parking lot, fixed the fences and so many other things that I don't even know what they all are!! When Tom was around, I knew I didn't have to worry about a thing!

Tom also sat with me in so many interviews trying to hire so many custodians!! His instincts about good candidates were spot on and he also spent time with each new custodian making sure they knew and followed the routine.

Sometimes dealing with construction trades or custodians can be really frustrating but Tom had such a good sense of humour, he could always cheer me up and make the problems go away!

Tom was our security supervisor and chief dishwasher at the bazaar. He also took charge of every sharing table with Judy and made sure the leftover items were taken to Lansing or some other charity.

Before we had Mary in the office, Tom and Howie would come during the week and enter all the donations and offering.

I'm sure there's much more that I've forgotten.

Tom was born September 3, 1941 in Vancouver, BC to his parents, Sadao & Haruko. He was

the youngest of three with older sisters Kathleen & Ruth. During the war, when many Japanese residents were interned, the family left Vancouver and went to Revelstoke, BC. After the war they relocated to Hamilton, ON, and then later moved to Toronto, which Tom considered home.

Tom graduated from Queen's University as a Mechanical Engineer in 1964, and worked at a variety of places throughout his career including General Steel Wares, Anthes Steel, Trane, Facelle Royale and then Ontario Hydro. He retired from Hydro in 2002 in time to focus on his true calling - being 'Papa'.

Always with a practical sense of adventure, Tom quit his job in 1967 to travel around the world for seven months and ultimately saw twenty-three countries on four continents. Upon his return to Toronto, he met Judy who had moved to Toronto from BC 'just for a year'. He knew she was the one for him and she ended up staying in Toronto permanently.

Tom married Judy in 1969 (they almost made it to their 50th anniversary!) and had a wonderful life together. They were so well suited to each other and they made a perfect pair.

They added to their family with Steve and Cindy. Always the supportive loving Dad, Tom was never too busy to help with homework, build skating rinks in the backyard, throw a ball, go swimming, drive them to their activities, teach them how to drive, and encourage them in everything they did.

When Steve married Andrea and Cindy married Tom ("Little Tom"), Tom was only too happy to add them to the family and help them get their lives started. He helped with renovations, provided advice on big purchases, and was just generally supportive. He was a proud father-in-law.

He soon became the very proud Papa to four wonderful grandchildren: Malia, Matthew, Matai and Katie. Never too busy or too tired to play with them, watch one of their sporting events, watch a movie with them, set up an Easter egg hunt, or just hang out, he was the best Papa anyone could ask for.

After watching their kids grow up, Tom and Judy started their own travel adventures and over the last 15 years traveled to Japan, China, Vietnam, Cambodia, Peru, South Africa, Chile, Argentina, Brazil, Thailand, Laos, Myanmar, and Disney World. In recent years, their favourite travelling companions were Howie, Irene and Brian Kagawa.

Tom was a big sports guy - hockey and tennis in his early years and after retirement he focused on tennis, curling and golf. He loved watching his grand-kids play their sports and even spent his last evening with family cheering on Malia as she scored the tying goal in the last minute of her hockey game.

I will miss his cheerfulness, helpfulness, kindness and fabulous sense of humour. I consider myself lucky to have known Tom even though far too briefly.

"We make a living by what we get, but we make a life by what we give".....Winston Churchill

Thank you to everyone for your support of Bayview United Church and its programs. As you may know we have budgeted for a deficit for the full year of 2019 for our General Operating Fund but for the first two months of the year we are showing a slight surplus, so who knows. We will continue to control our expenses to the extent possible and hopefully our income will come in as forecast. The cold winter was a bit of a strain on our budget but on the other hand we are not contemplating any major expenses for the remainder of the year.

I hate to sound like a broken record but I would like you to consider PAR as a way for you to support Bayview United Church. PAR is a direct debit program that allows people to support their church through an automatic monthly withdrawal from their bank account. The United Church administers the program following the giver's wishes (e.g., a specified amount for local church expenses and another specified amount for the Mission and Service Fund). Once a month, all PAR donations will be debited from your bank account and then the total, less a service fee of \$0.50, will be electronically transferred to BUC's bank account. If you would like to know more about PAR please speak to me.

What Does Mary Do All Day?

Submitted by Linda Fujita, Theresa Takasaki, Paul Takasaki

Just over three years ago, we were fortunate to find Mary Leone to take over the duties of Church Administrator.

As you may or may not know, running a church is a very complex task and we are fortunate to have Mary who capably and cheerfully handles most of it.

For those of you who are unaware of what's involved, here's a quick summary of Mary's week. Mary's official hours are Monday through Friday from 10 a.m. to 3 p.m. however she rarely leaves at 3!!

During her days in the office, she answers phone calls, takes in and distributes mail, answers emails, deals with visitors, tenants and neighbours and looks after many other administrative and bookkeeping tasks.

She arrives on Monday to find emails and sometimes voice messages which have been left over the weekend. After dealing with all of those, she tidies the office (which we usually leave a mess on Sundays!).

Then she moves on to sort out the offering records which the counters have left on Sunday. This is not a simple task – there are many steps and it takes a while and concentration powers and

deciphering skills. She is often interrupted by tenants with questions, people at the door (solicitors, people looking for handouts, Kumon parents with questions, people asking about renting space, maintenance trades, etc.) and telephone calls.

Once she has entered all the donations correctly, she then proceeds to prepare and mail receipts and letters of thanks to each donor. As well, when necessary, she creates lists of donors for families of people who have passed away and, in whose memory, people are donating. This is a complicated task as she often has to search for addresses and decipher handwriting. As well, donation envelopes do not always arrive right away and, when they do, they go to the finance team first where they are processed and deposited into our accounts before they go back to Mary for entering into our software program. This means it is at least a week before the donation information gets to Mary. Due to this and many interruptions, this process can sometimes take several weeks to complete. We are working on trying to develop a more streamlined, easier system!

Mary also looks after arranging for set up for the bridge club, for the book club and any other groups or committees who schedule meetings. Mary maintains the calendar for the church to ensure that there are no scheduling conflicts between church activities and tenant times in Fellowship Hall so that everything runs smoothly. She also deals with maintenance trades – roof, elevator, fire inspectors, TSSA inspectors, etc. And she handles complaints and enquiries from our neighbours including Cedarhurst.

In her spare time, Mary organizes announcements for the Sunday bulletin, formats the bulletin, prints and folds them (all 120 copies!) for Sunday as well as preparing a web version, email version for the choir and a large print version. She also prints out the scripture readings to place on the lectern, emails a copy to the reader and calls the scripture reader and ushers to remind them that they are on duty for Sunday.

Mary also ensures that our bills are paid – sending them for approval to team leaders, entering them in our accounting records and preparing cheques for signature. Once signed, Mary looks after ensuring they are mailed out. Then once a month, she must balance our bank account statement. As well, she sends information from Quickbooks to Paul to prepare reports for Council.

Mary also prepares bulletins for the monthly Donway service and many other special services including the prayer service, Good Friday, Christmas Eve and funerals.

Twice a year, Mary prepares and edits our newsletter and ensures that it is printed and distributed. As well, she co-ordinates the completion of the annual report.

In between all this, Mary keeps track of address changes updating our database, directory, donation records and mailing labels. She prepares and mails seasonal letters and any other correspondence required by the minister or team leaders.

And because she's Mary – this year, rather than see it cancelled, she volunteered to help organize Daybreak held at Momiji on April 27th – finding and hiring a speaker, organizing catering and arrangements with Momiji.

By Friday afternoon, Mary is very glad to go home and put her feet up to recharge and start all over again on Monday!

Thanks, Mary, for all that you do! You've certainly made our lives easier!

Bayview United Church gratefully acknowledges the special donations received from October 1, 2018 to April 30, 2019.
