Parent God, Creator of the whole human family, today we celebrate the gift of our parents, grandparents, and siblings. Help us to give thanks for the family traditions that shape our lives. Today we remember food and the role it has played in our families. May we be nurtured and fed by its place in our hearts and minds. Amen.

Prayer for Families (together)

Creator God, we give You thanks this day for our families. We know that there are many different kinds of families in our world today. Grant us grace to live together with respect for one another. Help us to honour each other's uniqueness. We pray for each member of our family that they may use the gifts of love, empathy, joy and delight as they relate with each other. As we reach out to You in prayer, surround our homes and churches with love and compassion as we honour one another with integrity and peace in our hearts and minds. Amen.
