December 11, 2016

## Dear Friends of Bayview United Church,

The magical season of Advent and Christmas is upon us. I delight in seeing the dazzling Christmas lights that illumine the homes in my neighbourhood. The lights remind me of Jesus who is the Light of the world. He was born at a time when the world was in darkness. The Romans were oppressing the Jewish people. God sent Jesus to be a light and a beacon of hope. It is that same light and hope that we need more than ever in our world today.

People feel disillusioned by political leaders. As was the experience of the Hebrews in Jesus' day, people today want to be treated with fairness, justice, respect, and honesty. I believe that Christmas represents the light that we are all searching for in our lives. For us as Christians, Jesus is the light that shows the way. Other people have their own sources of inspiration. Ultimately we are all seeking the light of hope, peace, joy and love.

This Advent Season, I am looking forward to all of our special services as we prepare to celebrate the birth of Christ among us on December 25<sup>th</sup>. All of our Advent and Christmas services are listed in the Newsletter. I hope you and your family will be able to join in our Advent and Christmas adventure.

May the spirit of Christ warm your hearts and shine brightly in your lives today and always. Wishing you a blessed 2017!

Merry Christmas and Happy New Year,  
Rev. Cindy

# Chair of Council

In September we celebrated the 2<sup>nd</sup> Anniversary of Bayview United with the band Spirit.calm providing joyful music followed by a delicious lunch prepared by Ian James Catering and desserts served from an onsite ice cream truck. It was a wonderful day for all in attendance!

Spirit.calm

The Worship Team continues to support and improve the technology in the sanctuary. The TV monitor at the front of the church allows members and guests seated in the chancel to view what the congregation sees on the large screen. A dedicated computer was also purchased for the sanctuary that simplifies the AV setup on Sunday mornings. We are still experiencing glitches where some slides scramble or delete words and we are working to fix that issue with further software upgrades. We are grateful to Brian Kai for his expertise in all of these technical challenges.

Rev. Cindy

On behalf of Council, we wish you and yours a blessed Christmas season!  
Carol

# Women's Fellowship Circle

Submitted by Eiko Watanabe

The first general meeting of the WFC was held on Sunday, November 13, 2016 with over thirty persons attending. The meeting was co-ordinated by Noby Matsugu and Joan Bennett. The meeting began with a warm welcome by Noby.

Janice Cermak introduced Jack and Joan, noting the huge change in photography from the simple box camera that many of us remember to the digital versions of today. The Bennetts took full advantage of the changes, learning with each new technological improvement, and over the years honed their skills to a high degree. The result is a style of their own, transforming individual pictures into photo essays that distill the essence of a place and time. If a picture is worth a thousand words, then Jack and Joan's presentation is more than a million beautiful words.

Jack and Joan Bennett

Jack thanked Brian Kai for his help and expertise. Then Jack introduced the photo essays with background music. Firstly, a little bit of Venice, showing the famous gondolas and canals, architecture and artwork, palaces, etc. followed by maps of Iles-de-la-Madeleine, in the Gulf of St. Lawrence with a land area of 205 sq.km. Though close to P.E.I. and Nova Scotia, the islands form part of the province of Quebec. The photos captured breathtaking scenery of white sand and red cliffs, clams, lobsters, lobster traps, wild flowers, i.e. Lupins, local art galleries and studios. Then on to Castlerigg Stone Circle in Northern England, showing 50 large stone circles and landscapes with sheep, etc. Every year thousands of people come to draw and take pictures of the stones, built in 3000 BC, which is one of the oldest stone circles. Many of us have not travelled to these interesting places. Lastly, Tonquin Beach on the west coast of Vancouver Island, near Tofino, with sandy beaches (where some of our CJUC people lived or are familiar with the area).

Marie Cruz and Naomi Takasaki

Kay Oiye thanked both Jack and Joan for their expertise in capturing our interest with awe and wonderment. She said that today we learned a lot through their skillful photographs of natural beauty which left us with a sense of calmness and peacefulness. Kay then presented them with a token of our appreciation.

Naomi reiterated a "no nuts policy". The kitchen has a new large stainless steel refrigerator and it is to be used by our church only. The other, white refrigerator is shared by the tenants i.e. Kumon and A.A. Team leaders of the weekly coffee service are reminded to use the hose from the new faucet to fill the coffee and tea urns.

Please refrain from using toothpicks, plastic stir sticks and spoons as there are plenty of stainless steel spoons in the drawers. Thank you for your cooperation.

Reminder: the Daybreak at Momiji, on Saturday, February 11, 2017, co-ordinated by Ruby Shikaze/ Rev. Cindy Cooper/Janice Cermak. Details to follow.

The next general meeting is slated for Sunday, March 5<sup>th</sup>, 2017 with co-ordinators Louise Nagano, Madeline Sakamoto and Kathi Saito.

# News from the Hospitality and Care Team

It has been a busy fall for the H&C Team. In October we co-led with the worship team a Welcomers training event and invited the head ushers to attend. Our goal as Welcomers, but also as a Congregation, is to help welcome and integrate new people into the BUC community. If you enjoy meeting new people and would like to be a Welcomer, please speak to Rev. Cindy.

Our Reiki Team had two successful sessions. One on Oct. 2<sup>nd</sup> and the other on Nov. 27<sup>th</sup>. We gave a Reiki treatment to 6 people. Our next session is March 26<sup>th</sup>. Thank you Reiki Team!

H&C hosted a Sharing Table on Nov. 27<sup>th</sup>. Thank you to all who contributed to the table and thank you to Judy Maikawa and Madeline Sakamoto for looking after the table. Our next Sharing table is on March 26<sup>th</sup>.

We have also called and visited several of our members who have not been well. We sent some greeting cards to our church members. These include get well cards, sympathy cards, cards for special wedding anniversaries, and cards observing extra special birthdays such as 90, 95, and even 100!

The Prayer Supporters continue to offer prayers to over 50 recipients. Special thanks to Precious Watanabe who made 100 cards that will be lovingly sent out by Barbara Marshall over the year to those receiving our prayers. To make a request for confidential prayers, please contact Barbara Marshall or Noby Matsugu. Thank you Prayer Supporters for your ongoing prayers.

Our H&C Team along with some members of our church will be delivering poinsettias or another small gift to our many shut-ins. Many thanks to Elaine Turnbull, Dee Dee Yatabe, Noby Matsugu, Eiko Watanabe, and Dianne Domelle for organizing this meaningful ministry.

May you have a blessed Christmas and New Year.

With Joy, The H&C Team.

## Craft Club Initiative

Submitted by Lois Fusé

Several members have come together to organize a craft/art group. This will probably involve several groups. Barbara Marshall has offered to teach knitting and crochet and to work with others interested in these crafts. Ken Koyama is willing to lead a painting/ drawing group. Lois Fusé, Sanae Fukushima, Joan Bennett and Carol McLean are considering other fibre-related areas, including a possible church banner. Our first project will be an Advent Family Party on Dec. 3 which will include craft activities. Please join us there. And speak to any of the members if you are interested in joining the group.

# Stewardship

Submitted by Kaz Shikaze

Stewardship is using all that God gives us – time, abilities, financial and material resources, relationships – in a lifestyle of discipleship.

Here are a few comments about the income and expenses report for the first nine months of 2016 and the highlights are as follows:

- Our income from envelopes, PAR and general donations is slightly better than budget
- Our total expense are about on budget

For the full year our income should be slightly higher than budgeted and our expenses should be about on budget.

Thanks you for your ongoing financial stewardship.

If you are using offering envelopes as a way of supporting your church, please specify on your envelope the amount of your offering that you would to go to Local Offering and how much to Mission and Service.

I have been promoting PAR as a way for you to support the church for some time. The following is a brief description of PAR:

PAR, or Pre-Authorized Remittance, is a direct debit program that allows people to support their church through an automatic monthly withdrawal from their bank account. The United Church administers the program following the giver's wishes (e.g., a certain amount for local church expenses and another amount for the Mission and Service Fund). Once a month, all PAR givings are debited from giver's bank account and then the total, less a service fee of \$0.50, is electronically transferred to Bayview United Church's bank account. You can change or revoke your PAR commitment at any time.

Currently we have 19 people using PAR and there is universal agreement that it is a convenient and easy way to support the church. If you would like to participate in PAR, please contact me. A bonus consideration is that PAR greatly reduces the workload for the offering counters.

If you are interested in joining the Stewardship Ministry Team, please let me know.

# Syrian Family Sponsorship

The Ahmad Family has just received word from the Canadian authorities that they will travel to Canada on December 14th, 2016. We are hopeful that all travel arrangements will proceed on schedule this time. Their travel was postponed in October for unknown reasons.

The apartment in Hamilton is ready for them. With the assistance of their Canadian family, we will get winter clothing and footwear. Hopefully, the school assessments for the 4 children will be completed before the Christmas break. The children could start school in early January.

BUC Sunday school has made bilingual (Arabic/English) welcome signs which we will take to the airport to greet the family.

Our preparation is complete. What a wonderful start to the New Year.

Thanks to you all.

### Reiki Treatments

Reiki is a Japanese technique used for relaxation, reducing stress and to promote healing.

“Rei” means God’s Wisdom or Higher Intelligence and “Ki” means energy that flows throughout plants, animals and humans. Therefore, Reiki is a spiritually guided life force energy.

Reiki treatments are administered by “laying on hands” that create flow throughout a person’s body. A treatment feels like a glowing radiance that flows through and around you. Reiki treats the whole person which includes the body, the mind and emotions which leaves one feeling relaxed, at peace and with a greater sense of wellbeing.

If one’s life force energy is low, then we are more likely to get sick or feel stress. If it is high, then we are capable of feeling happier and healthier.

Reiki is a very simple, natural and safe method of spiritual healing.

The BUC Reiki team is offering Reiki sessions on Sunday March 26 and Sunday May 28, 2017.

Please contact Reverend Cindy Cooper or Dee Dee Yatabe if you are interested.
